

Product Datasheet

Part Code: VPTZ-KBD

DVR PTZ Keyboard

Key Features

- Professional controller of DVR, Video Matrix, Speed Dome, integrated Box Camera and other CCTV products
- Up to 4 keyboards can be connected in one controlling system
- LCD display with error information indication, easy and convenient for operation Long distance control:1200M (RS-485, 0.5mm twisted pair cable)
- Controlling up to 255 devices with different address via RS-485 bus
- Controls both AHD and IP PTZ camera variants

Specifications

| | | |
|-----------------------|----------------------|--|
| Interface | Mode | RS-485(semi-duplex) & RS-232 |
| | Type | DJ21 six plugs & RS-232 DB 9 electrical outlet |
| | Baud Rate | 2400/4800/9600 bps |
| | Transitting Distance | 1200M (RS-485, 0.5mm twisted pair cable) |
| | Output | BNC*1, 3G-SD / HD-SDI |
| Power | Source | 9~12VDC/AC |
| | Consumption | 2.5W |
| | Dimension | 375(W) x 165(D) x 95(H)mm |
| Weights & Measures | Weight | 1.2kg |
| Operating Temperature | 0° C ~ + 40°C | |
